2) BEFORE AFFIXING YOUR PASS or allowing your pass to be affixed to your person, your attention is directed to a posted "WARNING TO SKIERS" which is displayed at all Thunder Ridge Ski Area ticket sale locations and is reprinted below.

3) The Safety in Skiing Code requires you to seek out, read and understand the "WARNING TO SKIERS" BEFORE you decide to participate in the sport of skiing.

WARNING TO SKIERS: Downhill skiing and snowboarding, like many other sports, contain inherent risks including, but not limited to the risk of personal injury, including catastrophic injury, or death, or property damage, which may be caused by variations in terrain or weather conditions, or surface or subsurface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps, or other persons using the facilities, rocks, forest growth, debris, branches, trees, roots, stumps, or other natural objects or other man-made objects that are incidental to the provisions or maintenance of a ski facility in New York State. New York law imposes a duty on you to become apprised of and understand the risks inherent in the sport of skiing, which are set forth above, so that you may make an informed decision of whether to participate in skiing notwithstanding the risks. New York also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risks inherent in skiing. If you are not willing to assume all of these risks and abide by these duties, you must NOT participate in skiing at this area. **IF YOU ARE WILLING TO ASSUME ALL OF THESE RISKS AND ABIDE BY THESE DUTIES, PLEASE SO INDICATE BY SIGNING BELOW.**
