## Race Ski Tuning Services

Our qualified technicians can prep your skis for the start of the season, each race, or your championships! We have years of experience race tuning for our USSA and Junior Olympic racers as well as our High School racers. We service racers from the local area, Thunder Ridge Race Team as well as neighboring mountain race teams on an ongoing basis throughout their season. ***We offer a level of accuracy and precision not easily found elsewhere!*** Equipment may be dropped off at Thunder Ridge after training or racing and will be tuned in time for your next practice or race. In most cases, we can offer a 24 hour turnaround.

### Full Race Hand Tune    **\$50.00**
