For immediate release:

Preparations are underway on the slopes of Thunder Ridge Ski Area as Mother Nature is predicting a cold and snowy winter! Long time owners, Dean and Wayne Ryder are opening the resort this season with a strong and enthusiastic group of returning managers and employees. They wish to thank Mary and Bob Conklin for their many years operating Thunder Ridge and wish them well in retirement.

Thunder Ridge has been in operation since 1948, providing family-oriented recreational opportunities to the local community and New York City metropolitan area. In preparation for the upcoming season Thunder Ridge staff have been busy maintaining equipment and will soon be updating the website with programs, events and pricing.

Season passes, equipment rentals, daily and six-week ski and snowboard lessons and racing programs will all be offered. Information is available at www.thunderridgeski.com or by calling 845-878-4100.

Great news....season passes will be offered at the same discounted price as last season through December 15, 2014.

The Ryders are eager to expand the current offering of exceptional programs as well as looking to upgrade snowmaking, grooming and infrastructure.

The 2014-2015 ski season is upon us and we will see you soon on the slopes at Thunder Ridge!
