Freestyle Program

Our freestyle program is available for intermediate snowboarders, third grade and up. This program will introduce participants to the fundamentals of freestyle snowboarding in a fun and safe environment. We promote the Park Smart Terrain Park Safety Program. Students will learn park policies and procedures, learning fundamentals of using rails, jibs, butter boxes, rainbows, mini flats and ramps and/or natural features throughout the mountain as weather and conditions permit. Students will be grouped by ability and experience.

This Program is offered for six weeks on Wednesday at 5:30pm and Friday at 5:00pm and 6:30pm.
