THUNDER RIDGE SIX-WEEK PROGRAMS

2022 INFORMATION

Welcome! Thank you for participating in our six-week ski and snowboard lessons. Our Snowsports School continues to grow and improve with programs for the young novice skier & snowboarder. These lessons are designed to teach and improve skills, instilling a passion for winter sports. The continuity of these programs provides the best possible learning environment. Our 6-week 90 minute programs offer, by far, the best value in the region.

COVID STATEMENT

Thunder Ridge Ski Area values and prioritizes the health and safety of its guests, staff and local communities. We are committed to implementing best practices for the 2021-22 winter season in response to the ongoing COVID-19 pandemic. Procedures and protocols for the upcoming 2021-2022 ski season are to be determined based on Federal, State and County guidelines and CDC recommendations.

We will continue to lead by example during these incredibly dynamic times. Everything has changed – except for our industry’s guiding principle: We always have, and always will, put the health and safety of our staff, guests and communities first.

Please understand that these directives may change at any time, either ahead of or during the ski season, and that any such changes will be beyond our control.
