

MINIBOLT SIX-WEEK PROGRAM 2022 INFORMATION

Welcome! Thank you for participating in our six-week MiniBolt ski program. This 1 hour program** will be full of fun and play; designed to introduce skiing as well as improve their skills! Our goal is to create life-long skiers. This program will maintain a 1 to 2 instructor/student ratio. Beginning in January and running for 6 consecutive weeks, we'll meet once a week at the same time each week. Our Snowsports School continues to grow and improve with programs for the young novice skier. The continuity of these programs provides the best possible learning environment. Our 6-week MiniBolt programs offer, by far, the best value in the region.

COVID STATEMENT

Thunder Ridge Ski Area values and prioritizes the health and safety of its guests, staff and local communities. We are committed to implementing best practices for the 2021-22 winter season in response to the ongoing COVID-19 pandemic. We will continue to lead by example during these incredibly dynamic times. Everything has changed – except for our industry's guiding principle: We always have, and always will, put the health and safety of our staff, guests and communities first.

Please understand that these directives may change at any time, either ahead of or during the ski season, and that any such changes will be beyond our control.

PROGRAM SPECIFICS
