

Dear Thunder Ridge Race Team,

We are emailing to let you know that your SYNC team store is open and ready for ordering! You will find your link and password below:

Your store will be open year round! This means you don't have to worry about getting your order in by a certain deadline, you have the flexibility to order whenever you'd like! We will notify you of when orders will be "batched" for embellishment and the ETA of your order will be approximately four weeks from that "batch date". **That being said, inventory doesn't last forever -- Order now to guarantee your gear before the snow flies!**

Program Details:

Summer apparel (Dryland Training Wear): is in stock and will ship within a week of ordering. More stock is coming soon. Please sign-up for back-in-stock notifications.

Winter apparel (Ski Wear): We will send in-stock inventory to embroidery. Some winter inventory is not currently in the warehouse and will arrive in early September and will then be processed for logos.

Delivery Details:

Please allow approximately 4-6 weeks for delivery of logoed winter products.

Please allow approximately 1-2 weeks for delivery of logoed dryland training wear.

You will receive tracking information via email when your logoed item(s) have shipped. Please note that **we cannot accept returns or exchanges for embellished apparel** ([please see full policy here](#)).

If you have any questions, feel free to contact your team administrator or reach out to us directly at custom@syncperformance.com or give us a ring at (970) 926-7731. Thanks and we can't wait to get you decked out in your custom SYNC gear!

Cheers!

The SYNC Performance Custom Team
